

## GEROH Pneumatic Masts „Aero“

For payloads up to 50 kg

The Family of GEROH Pneumatic Masts is characterised by lightweight construction, satisfactory reliability and an unrivalled and excellent cost - performance ratio.

They are used by Fire Brigades, Rescue Units, Radio Stations, Regulatory Authorities as well as Military Forces.

Our “Aero” Masts are excellent suited for communication solutions, monitoring, lighting and measurement applications.

All Pneumatic Mast Systems are vehicle or trailer mounted so no guy wires are necessary.
